Technology Integration

To Whom It May Concern:

I am pleased to provide this letter of reference for Jessica Tsu Jones. As the Administrator for Technology Integration, I have had the opportunity to work with Ms. Jones for the last three years.

As a valued member of Nye County School District Technology Leadership Cadre (TLC), Jessica's passion and willingness to try new things helps guide the purchases of software and hardware. Jessica demonstrates enthusiasm for all technology that will enhance the learning experience of her students.

Technology is seamlessly integrated in Jessica's classroom. Students regularly utilize laptops, iPods, document cameras and the SMART board. Technology is not just a teaching tool for her it is a learning tool for her students. During many impromptu classroom visits, I have been impressed by the engagement level of her students.

Jessica's willingness to try new things as well as share her experiences makes her a leader among her peers. Her calm demeanor and warm personality are effective with students, parents and those with whom she works. She will be an asset to your organization.

Please feel free to call me at 775-910-9320 if you wish to discuss her qualifications further.

Sincerely,

A handwritten signature in blue ink that reads 'Ginger Olson'.
