To Whom It May Concern:

I highly recommend Mrs. Jessica Tsu Jones for a teaching position. Mrs. Jones was a Hafen Elementary School third grade teacher from August 2006 through June 2009. The only reason she left our school was because of district budget cuts and the seniority process during the resulting Reduction in Force (RIF). Fortunately, she was able to take an open position at a neighboring school, but her loss is still felt at Hafen.

Jessica is a creative, talented teacher with high skills in use of technology for instruction. She is very respectful of her students and sets high expectations for their personal accountability in the classroom. Her lessons are interactive with an emphasis on critical thinking. Discipline is fair and consistent, with rules based upon a student-created value system.

Jessica Jones is energetic, involved, and willing to help others for the benefit of the whole school. She set up a successful student bookstore and contributed to numerous school events. She will be a wonderful addition to your teaching staff. I hope to someday work with her again. If you have questions or need additional information, please contact me by mail at the above address, by email at towens@nye.k12.nv.us, or by cell phone at 775-513-8114.

Sincerely,

Terry Marie Owens, Ph.D.
